

# SLII®

## Open workshop

Blanchard Serbia, invites you to be part of a unique training experience by attending a two-day SLII® workshop, that will be held in Blanchard's premises at street Marka Nikolica 11/2 in Belgrade, in Serbian language.

### What is it?

SLII® is the most comprehensive, up-to-date, and practical method for effective managing and developing people in the world. It is a prime enabler for developing an organizational culture focused on High Performance.

It is a model and at the same time a tool for:

- Developing high achievers, individuals with high productivity and commitment;
- Creating the culture of open-up communications focused on performance;
- Honoring differences and leverage it to the benefit of the organization;
- Connecting different leadership elements: task giving, developing, motivating and monitoring.

### Which skills will participants develop?

Diagnosing what their people need in order to achieve any given goal or complete any given task;

Selection and smooth usage of right leadership style, i.e. the way of giving tasks that matches assessed development levels;

Conducting effective one-on-one discussions, focused on the performance of their people and their needs, in order to help them accomplish agreed goals.

### Demonstration of the given skills at the work place will result in the following outcomes:

- Increase in productivity and engagement of employees;
- Development of strong individuals who are ready to take on more responsibilities;
- Freeing supervisors time from day-to-day "fires", so that they can focus more on plans for the future, shifting their time from tactics to strategies;
- Improved talent retention rate.

### To whom it is addressed?

To managers and supervisors at all levels.

### Size of group:

Up to 10 participants

### Fee:

540 eur + VAT per person

The above fee includes: materials, catering & refreshments

### How to apply?

Please send participation form to [info@blanchard.rs](mailto:info@blanchard.rs) and contact us for any further information on phone numbers: +381 11 3752 426 or +381 65 210 75 02.
